

Health Education England (HEE) Funding for Fundamentals of GP Nursing Course

Jan/April 2022 Cohort

Expressions of interest are now open for General Practice Nurses (GPNs) wishing to undertake the **Fundamentals of GP Nursing Course. (This course includes Cytology).**

HEE have offered funding for 2 placements across Herefordshire and Worcestershire Primary Care Providers.

Applicants **must** ensure:

- They meet the entry requirements of Birmingham City University <https://www.bcu.ac.uk/courses/fundamentals-of-general-practice-nursing>
- They are able to commit to the duration of the programme
- They have the support of their employing organisation
- Their employing organisation is able and willing to offer the required mentorship/experience/supervision/study day release (**there is no backfill funding, funding is for the course only**).

The HEI is **Birmingham City University**. Other providers are **not** approved as part of this year's funding.

Should applications received, exceed places available, an interview process alongside an equitable PCN allocation system will be applied.

Expressions of interest detailing how the applicant meets the above criteria along with a CV should be submitted by email to:

traininghub@taurushealthcare.co.uk

There are no restrictions to applicants applying for this funding stream. Whilst this course is designed for those new to general practice nursing, it is also suitable for more experienced GPNs to enable them to top up from diploma to degree level. The experienced GPNs may be able to APEL some of the course content but this would be on an individual basis and in agreement with the University.

Closing date for applications is

12th November 2021

For any queries, please contact the Training Hub on the above email.
