

Elbury Moor Medical Centre

Salaried GP – 4–8 Sessions

Are you a patient-focused, team-playing GP who has existing skills you wish to develop? If so, join us at Elbury Moor.

An opportunity has arisen due to the retirement of our Senior Partner after 30 years.

Elbury Moor Medical Centre is recruiting a Salaried GP to work 4–8 sessions from Spring 2026.

Why Elbury Moor?

- Purpose-built premises (12,500 patients)
- 6 Partners, 1 Salaried GP, ANP, ACP, Clinical Pharmacist
- GP training practice & teaching practice to Birmingham University medical students
- City living, close to motorway hubs and rural retreats
- Supportive, friendly and stable team
- Mentoring, education and potential partnership opportunity
- Collaborative working with the Primary Care Network, supported by various service teams including Acute Visiting Service, First Contact Physio and dedicated Care Home Team

What We Offer you

- Competitive Salary
- BMA model contract
- 6 weeks annual leave and 1 week study leave (pro rata)
- Group indemnity cover
- Protected admin time and no lunchtime visits
- Weekly clinical and practice meetings
- GP's meet for lunch daily
- Excellent opportunities for salaried GP's (developing additional clinical skills, education and training roles)
- We use EMIS Web, Docman 10, cloud-based telephony, AccuRx and Lexacom

The Role

- Salaried GP 4–8 sessions per week
- Interest in diabetes, training and partnership desirable but not essential
- Start date: Spring 2026

Interested?

Informal visits and enquiries are very welcome.

Application by CV plus covering letter to:
