Compression/Chronic Oedema & Advanced Wound Care Education Programme 2024

In collaboration with Wye Valley NHS Trust, Essity will be running a number of Chronic Oedema & Advanced Wound Care education across Herefordshire in 2024, and we would like to invite you to attend.

Key focus areas will include:

Compression/Chronic Oedema
A&P of Chronic Oedema & Lymphatics
Managing Chronic Oedema
Local Pathways
Measuring for Hosiery
Measuring for Wraps

Advanced Wound Care
A&P of Wound Healing
Barriers Affecting Wound Healing
Infection Management
Wound Debridement
Exudate Management

There's a number of dates at various locations for you to choose from throughout the year, but register quickly as spaces are limited and places will fill quickly. These will be **WHOLE DAY** events.
