Booking a course

1.

Once you are registered and logged in you can book a training course. The easiest way to do this is to click the 'Courses' tab and select the course you are interested in.

2.

Once you have selected the course you are interested in, you will see the course details. If there are future events scheduled you will see the dates of the course on the right hand side (there may be more than one date – make sure you select the right one).

To book yourself a place on the course click the 'Book Now' button.

Target Audience

This study day is aimed at practice nurses who are non SRH specialists who see people with SRH needs. It is suitable for nurses with little or no experience in sexual health and can also be used as an update for experienced practice nurses.

Workshop / learning outcomes

- Develop awareness of principles of sexual health history taking, diagnosis and treatment.
- Development awareness of contraception methods

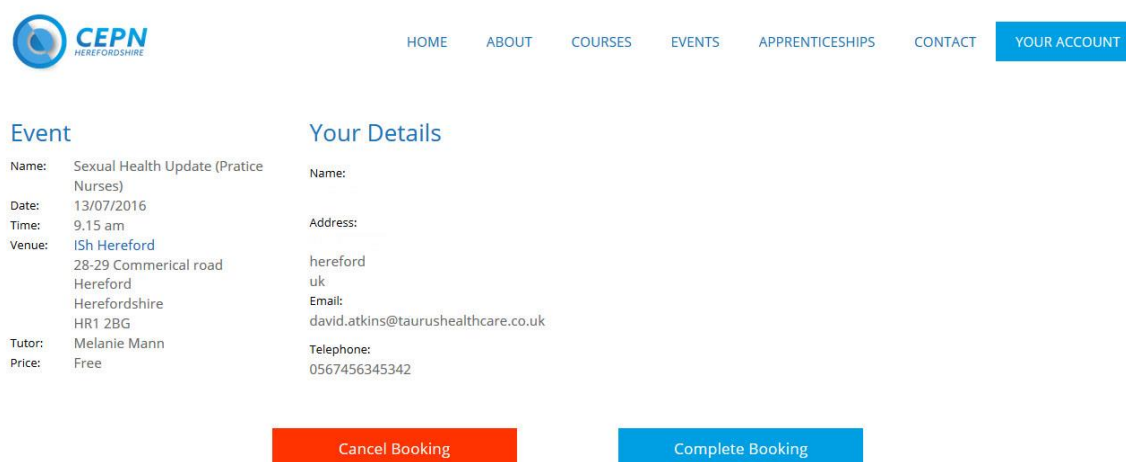

Content

- Sexual history taking
- Diagnosing and treating common Sexually Transmitted Infections in General Practice.
- Emergency contraception methods and eligible patients
- 'One to one' interventions to reduce incidence of teenage pregnancy
- Update Chlamydia Screening programme in Herefordshire
- Methods of contraception; pills, patches and LARC
